PRE SCHOOL

In Pre-School, students begin with Aural training for pitch with notes and rhythm training through movement with a focus on the basic enjoyment of music and intro to music terms. Classes are in groups, many times with parents.

Dalcrose
Kodály
Singing
Basic Percussion
Musical Games

MIDDLE SCHOOL

In Middle School, students learn to listen and adjust to others as they perform. Jazz teaches instantaneous composition requiring solid music fundamentals. At this stage, we focus on personality development, exploring variety, learning how to mix and basic composition.

All of Elementary Plus
Music Theory**
Band* & Orchestra*
Choir
Beginning Jazz***
Combo Bands

ELEMENTARY SCHOOL

In Elementary School, students start connecting aural and rhythm training with reading music as a language. Playing an instrument is a difficult challenge-we take them step-by-step. Students will be tested on knowledge and skills, and lessons will emphasize fundamentals and individual performance.

Any Age: Dalcrose & Singing
6+: String* & Keyboard**
8+: African Marimba, Ukulele and Drum****
10+: Voice** & Guitar
12+: Band*

HIGH SCHOOL & BEYOND

In High School and Beyond, the student develops a sense of art, while technical skills are honed and tested. Groups provide social support and technical challenge. The focus is on advanced knowledge and skills, forming performance groups and leadership skills.

All of Middle School Plus

Battle of the Bands

We learn music as any other language, early in life by listening. Formal development starts by associating sounds as pitches to notes. Rhythm is tied to the timing of movements. Skills are refined by the artful teacher who combines the joy of listening to the notes and phrasing on a page while playing an instrument.
